If we need another day, I don't mind asking. I think they are due to ICF on Friday. Not sure who else besides us (and those you've been in touch with) is reviewing so Federico shouldn't need much time to compile.

Hi Karen,  
Last I knew, Tuesday November 1 is the date we are supposed to have comments to Federico. I'm out on Monday and was hoping to use Tuesday to finalize the comments. I'm assuming it is COB Tuesday ... I hope anyway.

Do u recall when Federico wanted them? Tuesday? If so, I'll look at them Monday and have you send them to him Tuesday as I'm out on sick leave that day. - K

Hi All,

This draft comment document reflects discussions, emails, and comments from USGS & EPA. Have not yet spoken with Chris Foe but plan to hopefully Tuesday. I am out on Monday. I don't have anything in the sections for endocrine disruptors and other urban contaminants.

Karen, when is the last possible time to get these comments to you?
